The EXPLORE test is ACT's (American College Test) college readiness test for 8th and 9th graders. The purpose of the test is to provide information regarding the students' knowledge, skills, interests, and plans. This information can help students as they plan their high school coursework and begin to think about college and a career in the years ahead. The test is comprised of four multiple-choice tests: English, Math, Reading, and Science.

EXPLORE Test Questions | Free EXPLORE Practice Test

EXPLORE Test. Many school districts in the US require 8th and 9th graders to take the EXPLORE exam. They use the test for measuring a student's readiness for high school level classes, and to determine if a student is on track to be ready for college level work in a few years. There are four subjects on the exam, and each section lasts 30 minutes.

than 25 questions on the ACT Explore tests! Just like your teachers turn your quiz and test scores into grades, ACT Explore takes the number of questions you got right on each test and translates it into a number between 1 and 25 (called a “scale score”). Just like grades, your scores tell you how well you did on each test.
