From business books to educational textbooks, the site features over 1000 free eBooks for you to download. There is no registration required for the downloads and the site is extremely easy to use.

Mitsubishi Marine Boiler Manual

The combustion equipment and control systems of our auxiliary boilers are based on C-heavy oil basic specifications designs. We recommend adding specifications for combustion MGO (Marine Gas Oil) which contains less sulphur than C-heavy oil to your boilers. This method helps reduce SOx and CO2 emissions.
