A Building Construction Agreement is a written document between a property owner and a general contractor, specifying the construction, renovations, alterations, or other work to be done on the property owner's home or land.

### **Building Construction Agreement - Sample, Template**

Why a Construction Contract Is Important. At the most basic level, you want to get the house that was promised, and the contractor wants to get paid for the house being built. The contract serves to reflect this understanding, to make sure there is no disagreement before the actual works begins, and to provide a guide to follow in case a problem arises later. Most often your contractor will provide you with a contract that's ready for signing.

New home builders may have specific differences in the language of their contract. Most of the contracts I am familiar with contain similar language to that expressed here. Here are a few terms from builders contracts: 1. Loan Contingency - The buyer has five days to submit full loan application. If they do not, the buyer has breached the contract. 2.
