Politics And Governance In The

While the Constitution sets up the system of government, the actual way in which the offices of Congress and the Presidency are filled are based upon the American political system. Many countries have numerous political parties—groups of people who join together to try and win political office and thereby control the government—but the US exists under a two-party system.

Overview of United States Government and Politics

Political institutions from the World Bank to the EU now use terms such as good governance to convey their aspirations for a better world. A conceptual history of governance. A general concept of governance as a pattern of rule or as the activity of ruling has a long lineage in the English language. Nonetheless, much of the current interest in governance derives from its specific use in relation to changes in the state since the late 20th century.
