Religion and Conflict Although not necessarily so, there are some aspects of religion that make it susceptible to being a latent source of conflict. All religions have their accepted dogma, or articles of belief, that followers must accept without question. This can lead to inflexibility and intolerance in the face of other beliefs.

**Religion and Conflict | Beyond Intractability**  
Ignorance often leads to fear, fear can lead to hate, and hate can lead to violence. Knowledge is the key to avoid going down this path. Conflict between people of different religions may begin with simple ignorance. People who do not really know anything about other religions just assume the others are very different.
