### The Wages Of Destruction Text

"It is among Adam Tooze's many virtues, in "The Wages of Destruction: The Making and Breaking of the Nazi Economy," that he can write about such matters with authority, explaining the technicalities of bombers and battleships. Hovering over his chronicle are two extraordinary questions: how Germany managed to last as long as it did before the collapse of 1945 and why, under Hitler, it thought it could achieve supremacy at all."

About The Wages of Destruction. An extraordinary mythology has grown up around the Third Reich that hovers over political and moral debate even today. Adam Tooze's controversial new book challenges the conventional economic interpretations of that period to explore how Hitler's surprisingly prescient vision- ultimately hindered by Germany's limited resources and his own racial ideology ...

The Bible says that “the wages of sin is death” (Romans 6:23). This not only refers to physical death, but to eternal separation from God: “But your iniquities have separated you from your God; your sins have hidden His face from you, so that He will not hear” (Isaiah 59:2). This is the foremost consequence of man’s rebellion against God.
