ManyBooks is one of
the best resources on

Access Free Up Up And Away

the web for free books
in a variety of
download formats.

There are hundreds of
books available here,
in all sorts of
interesting genres, and
all of them are
completely free. One of
the best features of
this site is that not all
of the books listed here
are classic or creative
commons books.

ManyBooks is in
transition at the time
of this writing. A beta
